

## Teamleader - Construction worker M/F

### *Organizational profile:*

Bouw met Polen B.V. is a medium-sized construction company in the Netherlands. Specialized in construction, renovation and real estate maintenance. The organization is already successfully operating in the Netherlands for almost 10 years. We work in the 'Randstad' area. This is an urbanised area in the Netherlands which includes Hilversum / Utrecht / Amsterdam. The organization is based in Hilversum. We work for both private and professional clients. Our clients value our professionalism and high-quality standards.

Our construction workers are mainly Polish nationals. The organization has a long experience in working with Polish people for longer and shorter terms.

The organization is seeking to expand its capacity to meet customers demand. Therefore we are hiring skilled construction workers with relevant experience and teamleaders to drive team-performance.

### *Job description:*

We are looking for a person who is experienced in construction work and can efficiently lead a team of 5-15 people on/ off building site.

The teamleader jobscope includes planning, coordinating and organizing of people, equipment and materials to ensure operational effectiveness.

People in the team will have general construction skills like painting, stuc/ plastering, mason, plumbing, carpentry.

The teamleader will report to management for project progress and performance.

Frequent communication with accountmanager is needed to ensure customer needs are met.

This person will be measured against adherence towards time, cost and quality of project.

### *Ideal candidate:*

- Skilled person with experience in construction sector
- General construction skills are for example painting, stuc/ plastering, mason, plumbing, carpentry
- Proven leadership skills in construction sector
- Experience is required, experience in West-European market is preferred
- Polish language proficiency is required.
- English or German language proficiency is required.
- Eligible to work within the Schengen-area of the European Union
- Driving license is required

### *Our offer:*

- Payment in line with market remuneration
- Remuneration could comprise a fixed and flexible component to reward good performance
- Full-time working week
- Opportunities to work overtime, which could be compensated for leave to Poland or payment in line with Dutch law
- Housing arrangements

- Transportation arrangements
- Insurance according to Dutch law
- Typical labor contract ranges from a couple of months until a couple of years. Depending on actual projects and candidate profile and preferences
- Location of construction project is in Netherlands, Randstad area
